

CEDIA® EXPO

SEPTEMBER 4 - 8, 2018
SAN DIEGO CONVENTION CENTER

TECH | BITES

Have you recently launched a new product or service? Want to get your product or service in front of elite media and engage with a focused audience without the pressure of creating an extensive presentation? Enhance your CEDIA Expo exposure with TechBites – a quick, three-minute, spirited presentation in which you'll have the opportunity to “speed date” with the media and attendees about your most innovative product or service.

HOW IT WORKS

15 companies will conduct a three-minute presentation, followed by a three-minute Q&A with media and guests. What you will be asked to provide: A three-minute presentation that can include three to five slides per presentation.

WHY

This exciting, new initiative brings you and the most important features of your new product closer to the media in a creative, entertaining and cost-effective way.

WHEN

Smart Home Focus: September 6
Audio/Video Focus: September 7
Networking/Security Focus: September 8

WHERE

On the Smart Stage in Hall A

WHO

CEDIA Expo is inviting a targeted group of media who are looking for the latest product finds in the home and smart tech industry.
