

CEDIA® EXPO

SEPTEMBER 10 - 14, 2019
COLORADO CONVENTION CENTER

MANUFACTURER PRODUCT TRAINING

70% of attendees list Manufacturer Product Training as one of the key reasons for attending the CEDIA show.

Manufacturer product training gives you direct access to clients. Sessions will be promoted on the website, through the mobile app, and during registration. Use this cost-effective method to develop deep brand loyalty and engagement.

What do they cost?

90 Minutes:	\$750
3 Hours:	\$1,500
All Day (9am - 5pm):	\$3,375

What's Included?

Standard A/V equipment is standard with all rentals. 30 minutes is also included for set-up and tear-down. All classrooms are pre-set classroom style, and your classes will be set based on expected attendance.

When is my session title and description due?

Session class types, titles and descriptions are due February 25, 2019 to be included in the registration opening for mid-April. However, titles and descriptions will continue to be added to the website and registration system through the show dates.
